CIRCULAR CYCLE RIDE

in mid Surrey visiting

43 churches

You are recommended to carry Cycle Route maps - Surrey nos. 3 and 5. The route indicates where you need to turn but does not mention every junction.

Whilst the route has been planned to avoid traffic as much as possible, you are reminded that you ride entirely at your own risk. Take care at all times and particularly when using or crossing main roads. Be considerate to other road and path users, especially near horses.
