BRIEF FOR WELCOMERS

Thank you for helping to welcome sponsored cyclists and walkers to our church.

What we ask you to do:

1. Record the visit on the Sponsor Forms presented to you; insert the time against the name of our church and initial the entry.
2. Ensure every cyclist or walker completes and signs the Bike Ride Visitor Register. If one person signs for a group, note on the Register the number in the group.
3. If there is a wedding or other service going on, sit outside to prevent cyclists and walkers getting in the way.
4. If there is a period between 9 am and 6 pm when there is no one available to man the church, please ensure that this Visitor Register is placed prominently outside.
5. Have some spare Stickers, Sponsor Forms and Church Lists available in case cyclists and walkers need them. They are available from your church organiser.
6. If squash and biscuits are offered free of charge they are much appreciated by the cyclists and walkers. So is information about the church - and advice on how to reach the next one.
7. A map with neighbouring churches marked would be a great help to cyclists and walkers.
8. Please return this form to your area organiser.
